

Community Feedback Session to Discuss the Center City Transportation Zone

Myers Park High School Cafeteria

Thursday, June 14

6:00pm – 7:00pm

The Board of Education is considering a proposal to eliminate the Center City Transportation Zone. The Board and staff welcome your feedback in advance of the **June 26 public hearing and Board vote**.

Proposal Overview

- Effective with the 2019-20 school year, eliminate the Center City Transportation Zone
- Students will continue to have access to magnet programs based on their color-coded transportation zones (i.e., Blue, Green and Violet)
- All students currently enrolled in a magnet program will continue in that magnet school through the terminal grade; the sibling guarantee will still apply
- Students in the following high school attendance areas in the Green Transportation Zone will be transportation-eligible for Randolph IB Middle: Butler, East Mecklenburg, Independence, Providence (currently, Randolph serves the entire Green Zone)
- Students in the following high school attendance areas in the Green Transportation Zone will be transportation-eligible for Piedmont IB Middle: Garinger, Rocky River (currently Piedmont serves only the Center City portion of the Green Zone)

Not sure if you're in the Center City Zone?

Use the county's Geoportal

<https://mcmmap.org/geoportal/#/schools> to see if your address falls within one of the elementary home school attendance areas below.

Elementary Home School Attendance Areas within the Center City Transportation Zone

Ashley Park	Shamrock Gardens
Billingsville	Oakhurst (partial)
Eastover	Walter G. Byers
Dilworth (partial)	

Magnet Programs Serving the Center City Transportation Zone

Barringer LI/TD	Randolph IB
Irwin LI/ TD	Piedmont IB
